Publication of the Call Agitated the Cannonites.

COUNTER ADDRESS MADE

CONTAINING RADICAL AND RECKLESS CHARGES.

Sensational Allegations Made Which Were Rebuked By the Disapproval of Prominent Fusion Democrats at a Meeting In the City Hall-Set of Resolutions Passed.

The call for the Democratic primaries issued by the Democratic county committee and published yesterday in The Heraid, met with extreme disfavor of the fusion or Cannon Democrats. the fusion or Cannon Democrats. The publication of the call raised a hubbuth. The tempest was a brewing ten minutes after The Beraid reached Ogden. The fusion or Cannon Democrats hurled the strongest anathemas at the call and the callers, while, on the other hand, the anti-fusion Democrats, commended the new plan as furnishing a method whereby every Democrat could cast his or her ballot quietly and with as much time as was needed, eliminating the disagreeable features of a crowded primary where the important business is always crowded portant business is always crowded into a short space of time. The "straights" as they are styled, called attention to the fact that such methods were in vogue at primaries in many states, and are made so by law.

INDIGNATION MEETING. But the antis saw in the plan schemes of all kinds to defeat Cannon and elect Richards, and finally the opposition to the call took the form of a meeting in one of the rooms of the city hall, where about 3 o'clock a number of the Indignants gathered.

A. J. Weber, who had previously re-

A. J. Weber, who had previously resigned as a member of the county committee, called the meeting to order, and Lorin Farr, sr., was elected as chairman, with Horbert McMillan as secretary. Mr. Farr, on taking the office, expressed his sorrow at there being any disruption in the Democratic party. He favored Frank J. Cannon for the senate, and proceeded to culorize him.

gize him.
T. D. Johnson then took a tpyewrit ten document from his pocket, which proved to be a set of resolutions, charging fraud, bees rule and offenses of sundry kinds against the committee and in particular against one of the candidates for senator.

leal. J. H. Knous, Ellijah Parr, Mr. Carpenter, Lorin Farr, the venerable chairman, and several others objected to the use of radical terms. Upon the to the use of radical terms. Upon the reading that section charging bribery, etc., in the second ward, at the pre vious primaries, several asked if such charges could be proven, and flatly announced that they would approve no such charge unless absolute proof could

be presented.

T. R. O'Connolly said he had been T. R. O'Connolly said he had been offered money by a man for 25 votes, and J. F. Crowley exhibited a silver dollar which he said had been part payment for a block of votes. The dollar was inspected and found genuine, and then the section, after being considerably toned down, passed. At the close there was a general hesitancy against signing the document, and finally the matter of procuring signatures. ally the matter of procuring signatures was left with a committee composed of H. P. McCardie, Joseph McLachlahan, T. R. O'Connolly, J. F. Crowley, Peter Anderson, F. R. Christensen, Mrs. L. W. Shurtliff, G. H. Islaub and James

To the Democrats of Weber County: To preserve the purity of the Democratic organization of the county of Weber, and to maintain the integrity of the principles to white we have given allocaince, it has become our duty to address ourselves to our fellow hemocrats, and to lay before them the following statement of facts and declarations of purposes:

Whereas, on the 8th day of September, 1888, pursuant to the call of the county committee primaries were held in the various practical of Ogden City and Weber county for the purpose of electing delegates to ten county convention, which was held on the 10th last, when delegates were elected to attend the sinte convention, and a county committee elected purposaling to refressint the Democratic party of Weber county during the present campaign; and.

Whereas, it has appeared since the holding of the said primaries that a certain faction, leaded by and in the interest of one of the avewed candidates for senator of the United States, pursued methods to secure the election of delegates to the county convention, or delegates to the county convention, or delegates to the county convention, or of the principles of Democraty in that them more notably in the Second ward of Ogden City, in which ward

Frany in that and most notably in the Second ward of Orden City, in which ward said cauddate resides), votes were cast by non-residents, by McKinley Republi-cane, by girls who were not legal voters, and by brilled voters who were induced to go to said primaries by the use of money; and

in non-residents, by McKiniley Republicans: by girts who were not legal voters, and by brilbed voters who were induced to go to said primaries by the use of money; and.

Whereas, in shameful violation of Democratic rule and doctrine and in pursuance of the purpose of said candidate, there were elected by said fraudicient votes and permitted to sit in said mainty convention at least one known McKinley Republican and one non-resident, imported for the occasion; and.

Whereas, the county committee selected by said candidate and foisted upon the Democracy of Weber county was, except two members thereof, chosen by him solely with a view to carry out his purposes and to achieve the selfash end which has always characterized his course in politics; and.

Whereas, in furtherance of his plans, and not as a representative of the Democracy of Weber county, they, on the Erd day of September to select delegates to meet in county convention on the 2rd day of September to select delegates to meet in county convention on the 2rd day of September to select delegates to meet in county conventions and pursue the party in Weber county, they on the sund candidate the committee has murred the prerogatives of the people and attempted to change the practice pursued in primaries shows that at the bidding of the said candidate the county, instead of mass conventions held by the people of the various rescences authorized to select their own officers and pursue their own methods in the manner of the selection of delegates and in the manning of precinct officers and has appointed judges who, with one excention, in all the wards of Order City, are partisants of the said candidate without limitation of authority; and in view of the usurpations heretofore and now heing practiced upon the Democracy of Weber county by said candidate

and his supporters, it is perfectly patent that at the ensuing primaries it is intended that the voice and votes of the peenle who constitute the Democracy shall be stilled and supressed.

Now, therefore, be it resolved, that we, as Democrats of Weber county, do most solemnly protest against the frauds, and usurpations which have characterized the primaries and committee action, and we hereby declare our refusal as Democrats to be bound by the autocracy which has seized the name only to dishonor the history and principles of our party. We assert that the county central committee, by its flagrant violation e' justice, has forfeited all authority and control within our party; and

forfeited all authority and control within our party, and,

Be it further resolved that, believing in the rule of the people of the Democratic party; in the untrammeled expression of opinion, free ballot and honest count; and being determined to attempt the rescue of our party organization and principles from the tyranny which has attempted to subvert them to an unrighteous end, we, the undersigned, do hereby call upon all Democrats of Weber county who hold views in common with the foregoing declarations to meet with us in mass convention at the city hall at 8 o'clock p. m., on the 24th day of September, 188, to determine upon the methods by which the Democracy of Weber county, shall overthrow the usurnations and purposes which otherwise threaten to destroy the Democratic party of this county.
